Greeting & History of Company

Greeting & History of Company

Greeting

작지만 강한기업!
금형역사를 새롭게 창조할 기업!

그 동안 고객께서 보내주신 격려와 성원에 감사 드립니다.
몰텍코리아는 PET용기 제조설비의 금형 제작 전문 업체입니다.
당사는 2000년 이후 고객께서 요구하시는 여러 가지 요구에 부응하기 위해 최선의 노력을 다하여 왔습니다.
이제 당사는 PET 금형업계에서 세계적 품질의 제조업체중 하나로 성장 하였습니다.
또한, 이러한 품질은 한국 및 해외 시장에서 인정을 받고 있습니다.
당사는 고객이 필요로 하는 신기술 금형 개발을 위해 최선을 다하겠습니다.
아울러, 당사는 고객들과 오랫동안 파트너십이 지속될 것을 확신합니다.

감사합니다.

We sincerely appreciate full supports and encouragements from our customers.

We, Moltech Korea Co., Ltd. specialize in the manufacture of PET bottle molds for Reheat blow molding machines, for Injection stretch blow molding machines and preform molds for Injection molding machines.

We have been doing our utmost efforts to meet the various kinds of demand from our customers since 2000. Now, we have grown into one of the best manufacturer of PET bottle mold industry. Also, we have been recognized by our both domestic and overseas customers as a mold manufacturer with the world class technology.

We will do our best to develop new technology for the molds which our customers are looking for. In addition, we believe in a long-term business partnership with our customers.

Thank you very much.

CEO 노원호

R&D CENTER

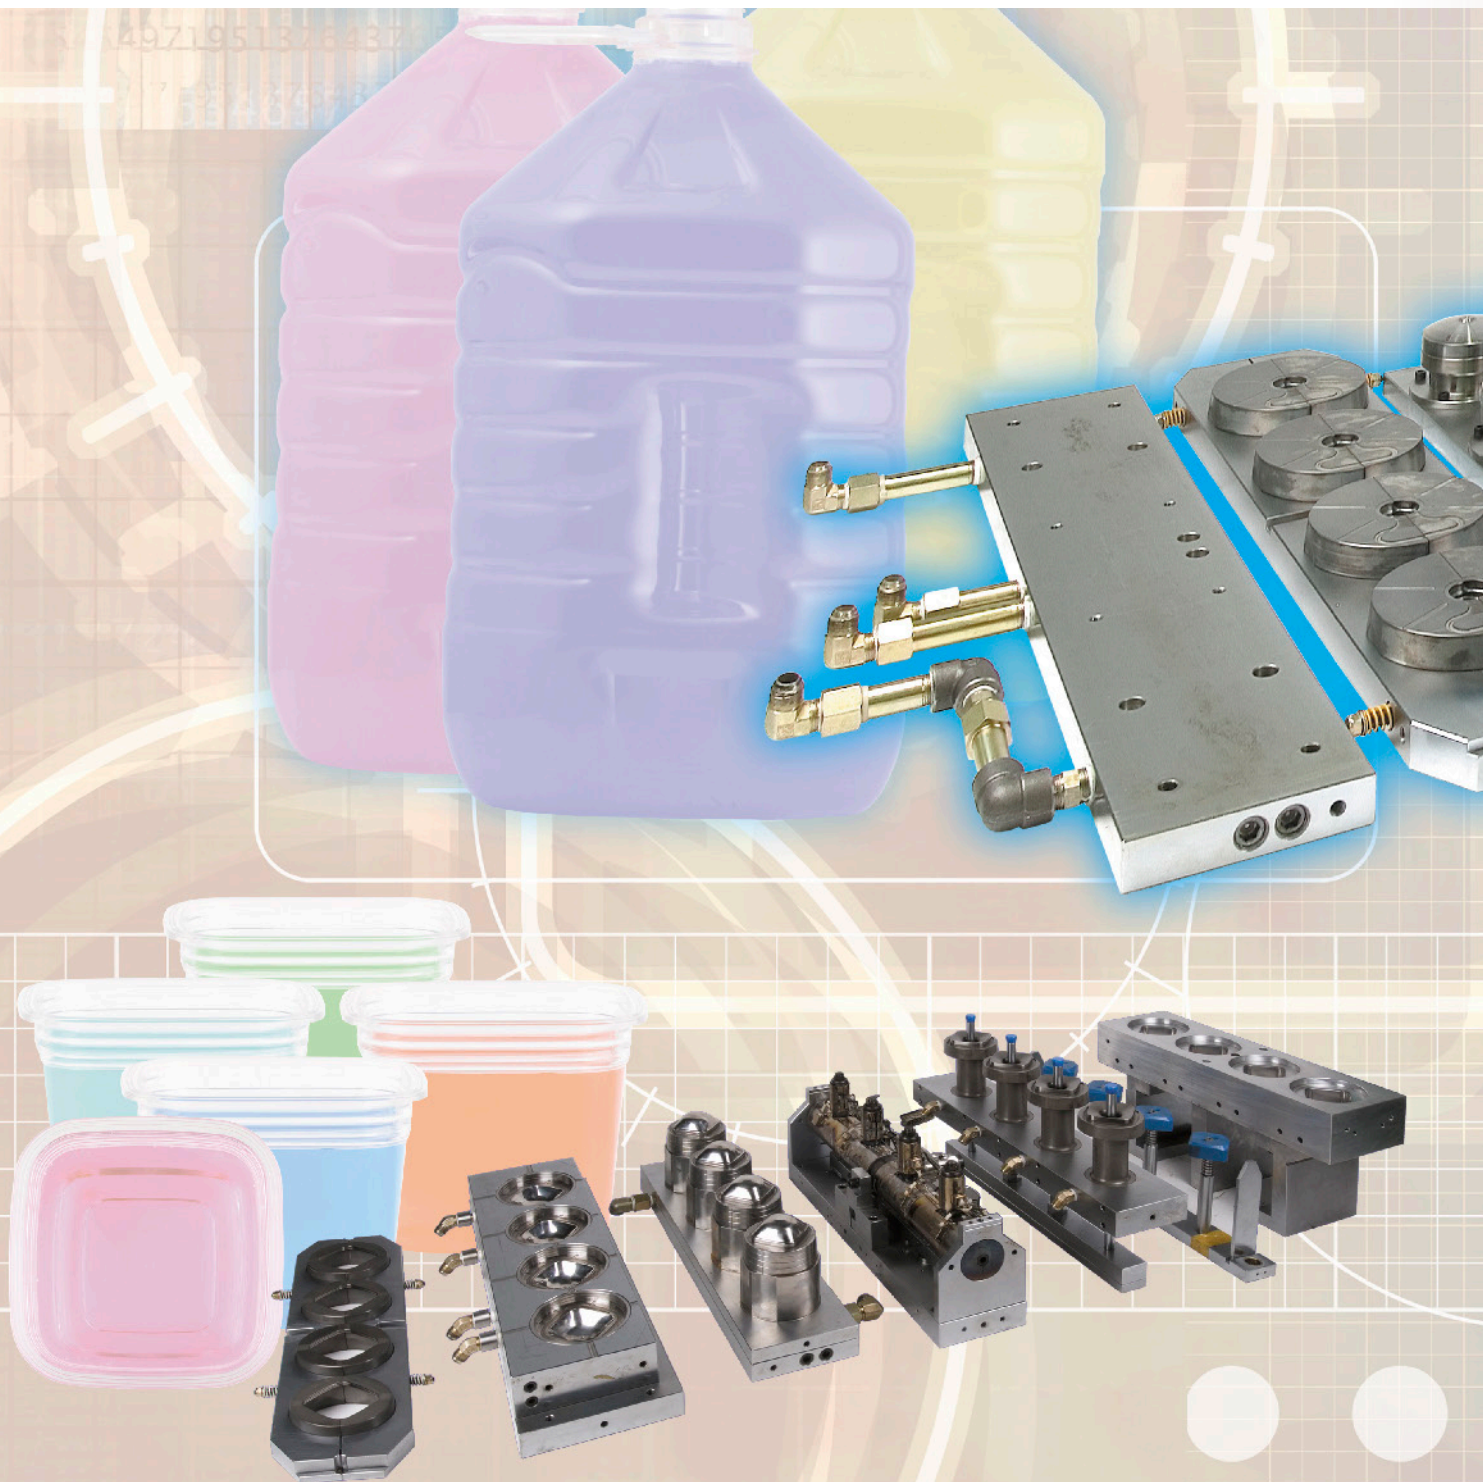

Injection Stretch Blow Mold

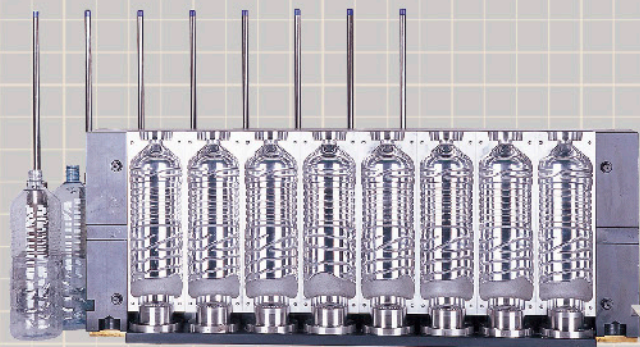

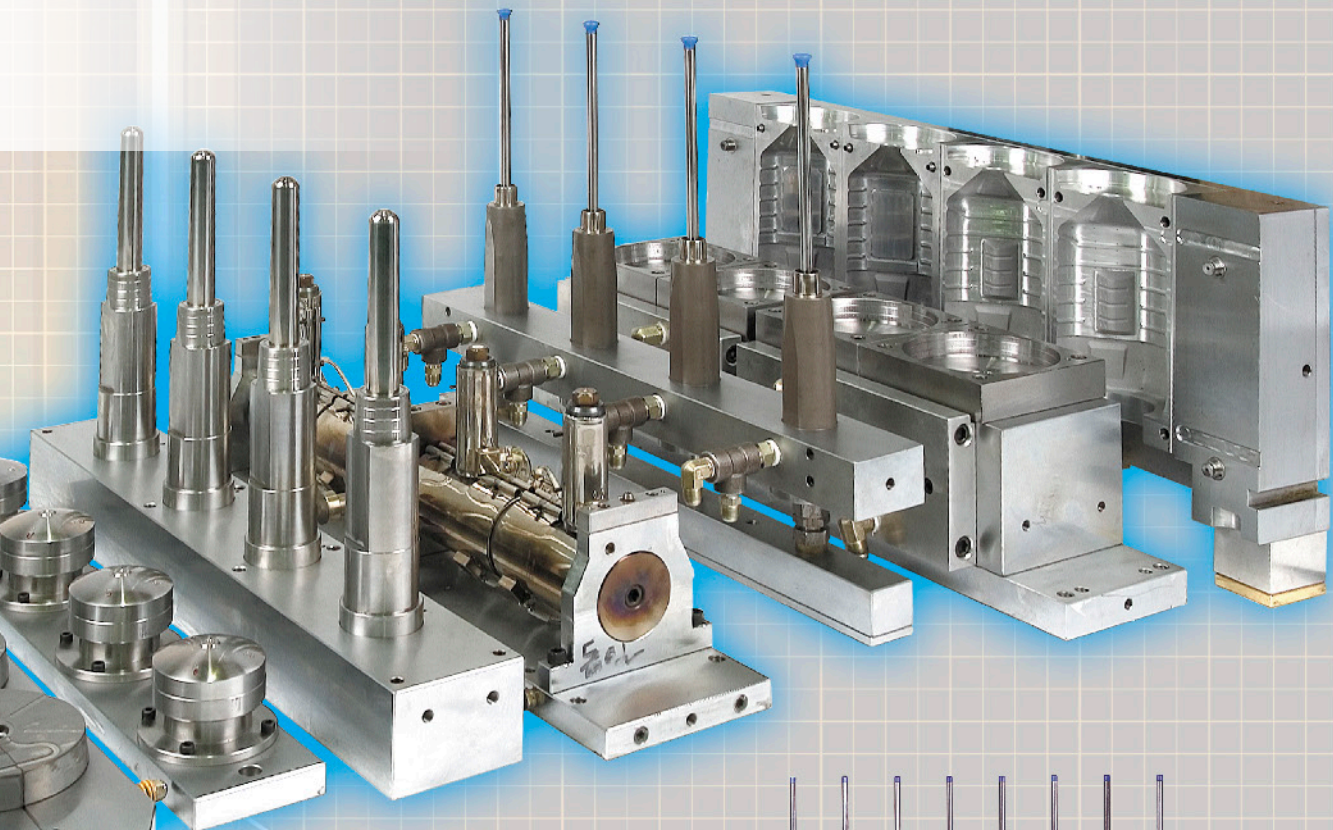

Injection Stretch Blow Mold

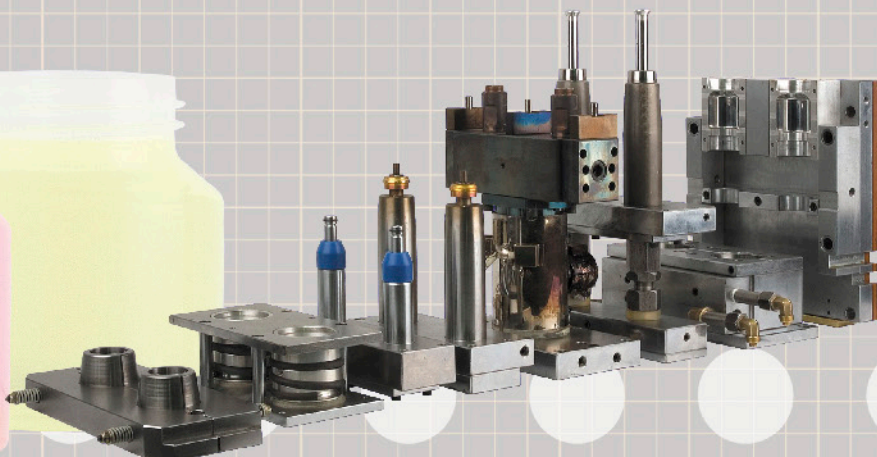

Moltech Korea supplies molds for one stage ISBM machines such as Aoki, Nissei, Sipa and Magic. Especially, our R&D center has several engineers with more than 20 years experiences in preform design.

We supply one complete range of PET bottle mold including bottle evaluation, bottle design, mold design, pilot mold, production mold and mold testing before shipment.
