

Optional Magnetic float type level gauge with lining for L300

Spec. sheet no. LD03-03

Specification

Chamber size

65A

Chamber thickness

SCH. 10S

Flange rating

ANSI 150Lb

Chamber material

304SS, 316SS

Lining parts

Inside of chamber

Lining material

Teflon

Indicator method

Magnetic

Max. pressure

0.5 MPa

Max. temperature

150°C

Specific gravity

0.5

Viscosity

Max. 50 CP

Memo
