

Brilliant Remover

Fluorescent UV Dye Remover

Product Description

Brilliant Remover is a cleaner specifically formulated to remove any trace of fluorescent UV leak detector dye from surfaces, charging valves, tools and any part contaminated during refrigerant gas leak detection. The perfect and complete removal of fluorescent UV tracer is necessary to avoid any subsequent false localization of leaks.

Features

- It removes any trace of fluorescent leak detector dye.
- It removes grease and pigments.
- It doesn't damage the surfaces.

Application

1. Spray Brilliant Remover on the dirt parties.
2. Remove with a cloth or paper.
