**FAST,
EFFORTLESS
SET-UP**

**PRODUCTIVITY
RELIABILITY**

As an European leader in harvesting equipment, the Delecroix company offers reliable and creative solutions to ensure maximum productivity.

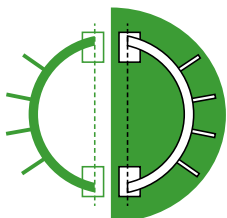

For 20 years now, we have been designing and manufacturing harvesting trailers, conveyors, and fletting machines for cauliflower and broccoli...

Working closely with our clients, we find innovative solutions to aid you in harvesting, cutting, packaging, and transportation ...

Check our range of harvesting belts between 7,50m and 12m lengths suitable for all types of crops (cabbage, salad, melons, crates, etc.).
