

Airmeso Scalp

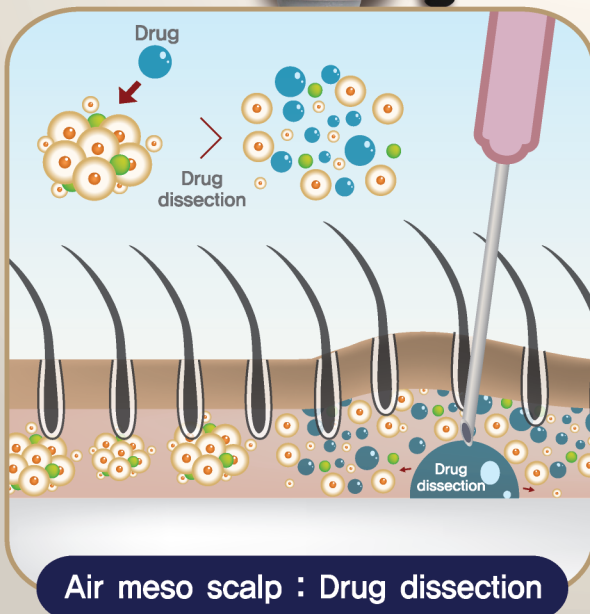

“Specialized Injector for Scalp”

High technology device with air compressor power by 10years manufacturing know-how

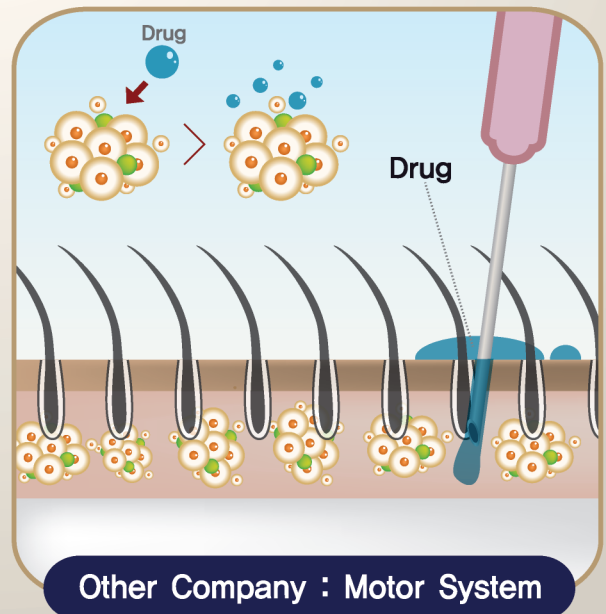

SCALP

- Hair Loss Prevention
- Hair Growth Booster

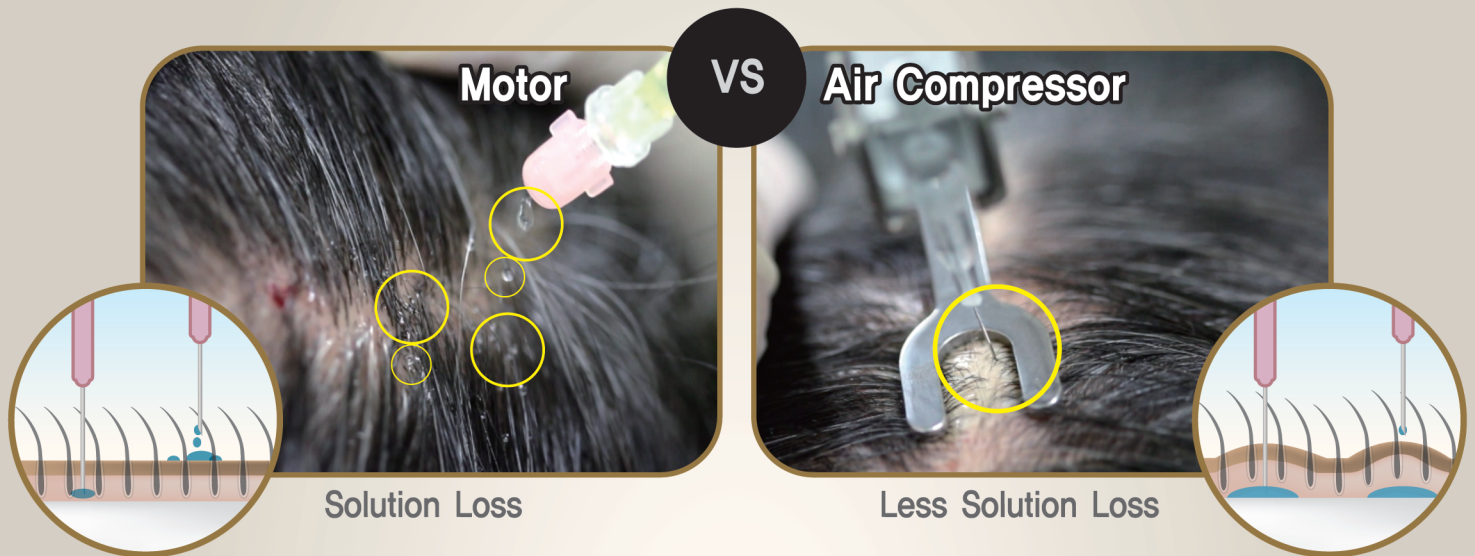

Air meso scalp : Drug dissection

Other Company : Motor System

BEST DRUG INJECTION EQUIPMENT!

Popularization of drug injector faithful to performance and reasonable price.

Features & Strong Point

Drug Injection	<ul style="list-style-type: none"> -Specialized for Scalp Solution Injection -Needle Depth Adjustable: 0~13mm -Air Compressor type : Powerful Injection, Minimize the pain -100% Injection : No Solution Loss - Patented
Operation	<ul style="list-style-type: none"> -Easy & Clear Operation -Solution : SCALP solution
Other	<ul style="list-style-type: none"> -Minimized pain (Fast Injection) -Accurate drug amount & needle depth -Reasonable price, economical with excellent function

Drug Accuracy & Range

- Fine, Clear Injection amount controlling
- Controlling Range : 0.01cc ~ 0.1cc
- 1 Setting, Same amount Injection

Specification

- Rated Voltage : AC 220V/50~60Hz/90W
- Gun size : 264mm×282mm×243mm
- Gun weight : 600g
- Body size : 300mm×350mm×250mm
- Body weight(including Gun): 9.0kg
- MODE : -MODE-C
-MODE-1~3 0.01cc~1cc
-MODE-D LOW
