The innovative technology of *Sentech Korea* opens up a happier future.

Accessories

Remark

You can use only mouthpiece for AL2500elite for accuracy testing as (a).

You also use a cylindrical straw as (b), but the accuracy does not come up to exact sampling (a).

In spite of that you want to use a cylindrical straw, please do not use a smaller one than mouthpiece slot as (c). If you use a cylindrical straw as (c), we can not warrant quality.
